**A Water****Candidate's notes**

Water is necessary in our everyday lives.

Discuss this topic with the examiner.

You may wish to consider such things as:

- how you and people you know use water in everyday life
- times you used a lot of water and what happened
- ways people can save water, both at home and elsewhere
- advantages and disadvantages of having too much or too little water
- the suggestion that water should be free and accessible for all citizens.

You are free to consider any other ideas of your own.

You are not allowed to make any written notes.

**B Towns and villages****Candidate's notes**

Some people prefer to live in towns while others prefer to live in villages.

Discuss this topic with the examiner.

You may wish to consider such things as:

- describe the area where you live
- whether people can do the same activities in towns and villages
- the benefits of living in towns or villages
- the opinion that it is hard to get to know your neighbours in big towns
- the view that a mayor or headman should be allowed to make any changes they want to improve their town or village.

You are free to consider any other ideas of your own.

You are not allowed to make any written notes.

**C Sport****Candidate's notes**

Sport is one of the most popular leisure activities today, whether people participate or just watch.

Discuss this topic with the examiner.

You may wish to consider such things as:

- your favourite sport to play or to watch, and why
- a sporting event you participated in and what happened
- whether having sports lessons in school is important
- the advantages and disadvantages of participating in a team sport
- whether you think that sport is a good choice for a future career.

You are free to consider any other ideas of your own.

You are not allowed to make any written notes.

**D Success****Candidate's notes**

Success is when people achieve something that they plan to do.

Discuss this topic with the examiner.

You may wish to consider such things as:

- times when you were successful and what happened
- what you would like to achieve in the future, and why
- the view that people only succeed with the help of others
- the opinion that success means different things to different people
- the suggestion that people learn more from their failures than their successes.

You are free to consider any other ideas of your own.

You are not allowed to make any written notes.

**E Cooking****Candidate's notes**

Many people still prepare food every day for themselves and their families.

Discuss this topic with the examiner.

You may wish to consider such things as:

- a memorable meal somebody else prepared for you and what happened
- whether you enjoy cooking, and why
- the opinion that all young people should learn to cook at school
- the opinion that nowadays more people prefer cooking at home rather than eating out
- the suggestion that preparing meals together every day brings families closer together.

You are free to consider any other ideas of your own.

You are not allowed to make any written notes.
