UNPREPARED WORK

Information and Instructions

- The class will be divided into groups of not more than **5 – 6 candidates** per group.
- Each group must present an Integrated Performing Arts performance on the given topic.
- All members in the group must be **equally involved** in the performance, but would be separately assessed.
- All the different components of Performing Arts should be reflected.
- A period of **15 minutes** preparation time will be allowed.

Topic

Humans are polluting the earth at an alarming rate.

In your performance show the impact of pollution on the oceans, animals and atmosphere of the earth. Also give a few ideas on how we, as humans, can minimise pollution by changing our way of life.
